## Platinum™

Confirms individuals possess a defined level of knowledge or competencies relevant to that individual's role.

## Gold Class®

Ensures a collision repair affiliated business possesses a defined level of role relevant knowledge or competencies across the appropriate roles that impact business performance.

A grayscale photograph of a male technician wearing safety glasses and a dark shirt, focused on working inside the engine compartment of a car. The car's hood is open, and the engine bay is visible. A large, stylized graphic of a car grille, composed of multiple curved lines, is overlaid on the image, centered behind the text. The overall scene is brightly lit, creating a clean and professional atmosphere.

A grayscale photograph of a woman sitting in the driver's seat of a car. She is looking down at her hands, which are resting on the steering wheel. The image is semi-transparent, allowing a large gold graphic to be overlaid. The graphic consists of two sets of curved lines forming a shape similar to a stylized 'G' or a car's front grille, one above and one below a central gold bar.
